Sumter Sheriff Now has a Toll-Free Drug Tip Line

888-231-2168

BUSHNELL, FL. – May 8, 2012

Sumter County Sheriff Bill Farmer announces the agency now has a toll free drug tip line available for tipsters to report drug activity. The toll free number of 888-231-2168 was established so tipsters can report drug activity occurring in Sumter County from wherever they may be, and have confidence in knowing that the information is being forwarded to and received by the appropriate investigative group within the agency.

When tipsters call the toll free line, agency staff will be available to answer the call in person rather than a recording 24 hours a day, seven days a week. Information on drug activity in the county will be forwarded to the Sheriff's Special Investigations Squad who will assess the information and take appropriate action.

Report suspected drug activity to 888-231-2168 and help keep Sumter County a great place to live, work, and play.
