### Composite of Murder Victim Released

Bushnell, FL (April 26, 2013) – The Sumter County Sheriff's Office continues to investigate the murder of an unidentified female whose body was discovered in a wooded area near S.R. 44 and Interstate 75 in Wildwood. Sheriff's Detectives have released a composite of the murder victim prepared at the University of South Florida where the victim's remains are being examined.

The victim is described as a white female, 25-55 years of age, 5'2"-5'9" tall, 160-170 pounds, with red or auburn colored hair with a red scrunchy, and a tattoo of "Jane" on the left shoulder blade. The victim had no teeth and may have worn dentures. She was wearing a light colored floral design shirt, size 3XL, Grey colored "Jersey" sweatpants, size 36-38, Pink & Grey colored glasses, and white ladies tennis shoes, size 10W.

**Clothing  
Approximation**

The victim was discovered in an advanced state of decomposition by two men searching the area for a lost wallet. The area is often frequented by ATV riders and used as a campsite by transients; it has also been the site where a transient was murdered several years ago. Sheriff's detectives need the public's assistance in identifying the victim. If anyone has information related to this case, please contact the Sumter County Sheriff's Office, Criminal Investigations Division at (352) 569-1680, or call Crimeline where callers can remain anonymous and may be eligible for a reward.
