Ribbon Cutting Ceremony

On Tuesday May 10, 2016 the Sumter County Sheriff's Office along with the Board of County Commissioners and the Chamber of Commerce announced the completion of the new Sumter County Helicopter Hangar located in Bushnell, FL. The Board of County Commissioners approved the construction of the Heliport in October 2015; the total project cost was \$541,822 which included the hangar, helipad and the motor pool lot of the Sheriff's Office vehicle maintenance area. The project was designed by Lunz, Prebor & Fowler architects of Lakeland, FL while the construction was performed by Signature Construction, Inc. of Fruitland Park, FL.

The new hangar and helipad will improve the safety for taking off and landing the helicopter by providing a more open area with a more direct flight path. At the ceremony the Sheriff expressed his gratitude towards the Board of County Commissioners for their vision, support and continued cooperation.
